Asset Services Continues to be Recognized for Rapid Growth

The Kansas City Business Journal and Ingram's Business Magazine recently recognized Asset Services, Inc. as one of Kansas City's fastest growing organizations. This is the company's second year in a row to be recognized by both publications for its rapid growth. Asset Services attributes the growth to the knowledge and professionalism of its teams; allowing the organization to provide quality inventory results to its clients and continuing to build the company's reputation as a leading fixed asset inventory organization.

Each year the Kansas City Business Journal and Ingram's Business Magazine publish a list of the area's fastest growing companies based on fiscal growth over a three year period. The 2015 lists include young startup companies seeing exponential growth in the first few years of business, as well as tenured organizations that continue see unwavering growth and success. Asset Services is honored to be among some of Kansas City's most elite organizations. Asset Services comes in at number 29 on the Kansas City Business Journal's Fast 50 and number 42 on Ingram's Corporate Report 100. To view the complete lists:
