

FOR IMMEDIATE RELEASE

Tim Michener Promoted to Director of National Accounts

Asset Services Names Tim Michener Director of National Accounts

KANSAS CITY — (January 15, 2013) —

Enterprise Asset Services, Inc (Asset Services), has promoted Tim Michener to Director of National Accounts. Mr. Michener has been with Asset Services since 2008, most recently serving as Sales Manager. “Over the past 4 years, Mr. Michener has been instrumental to our growth and success. He has taken on multiple challenges and built a solid foundation of accounts. This promotion reflects his contributions to our operations”, said Scott Wyckoff, President of Asset Services.

Mr. Michener’s new responsibilities include:

- Planning, overseeing, and evaluating the firm’s marketing and advertising programs.
- Developing field sales action plans nationwide.
- Sustaining rapport with key accounts; exploring specific needs and anticipating opportunities.
- Improving service marketability and profitability by researching, identifying, and capitalizing on domestic market opportunities.

Michener has over 20 years of experience in the financial software and services market. Prior to that he served in the US Navy, and had three years of DOD contractor experience as a Project Manager and Site Manager, developing testing and training materials for the former Naval Air Warfare Center in Indianapolis.

About Enterprise Asset Services, Inc.

Enterprise Asset Services, Inc. (Asset Services, www.AssetServices.com) is a national and international provider of fixed asset inventory management. Services include physical inventories of fixed assets, counts of personal property and capital equipment, physical audits of existing assets, and solutions for maintaining fixed asset inventories. The firm assists organizations in complying with accounting and grant regulations, as well as with capital budgeting, tax reduction, appropriate insurance coverage, disaster

recovery documentation, and effective management of existing fixed assets. An SBA Small Business based in Kansas City, Asset Services has performed inventories in 46 states and 23 countries on 5 continents.
