ASSET SERVICES ANNOUNCES PARTNERSHIP

Enterprise Asset Services and Greenbush to provide enhanced educational services.

MERRIAM, Kansas — (July 1st, 2008) — [Enterprise Asset Services, Inc.](#) announces a partnership with the [Southeast Kansas Education Service Center-Greenbush](#) to provide fixed asset inventory solutions to school districts. The partnership will allow Asset Services to reach a broad area through a trusted source in the education industry.

Asset Services has significant experience providing inventory solutions within the educational arena. Olathe Schools and Kansas City Kansas Public Schools are examples of districts that utilize an Asset Services solution. These districts have realized savings in insurance fees, compliance costs, and asset replacement and reallocation. Asset Services president, Scott Wyckoff, stated, “We look forward to our relationship with Greenbush and the chance to provide school districts with the opportunity to implement a cost savings tool that will allow them to save money and resources through managing and maintaining their extensive investment in fixed assets.”

The partnership with Asset Services provides school districts served by Greenbush with a cost effective service with which to efficiently inventory their assets.

About Enterprise Asset Services, Inc.

About Greenbush

Greenbush (www.Greenbush.org) ensures equal educational opportunities for everyone. Greenbush offers programs to school districts that are otherwise unavailable, unaffordable, or just more effective and efficient through a cooperative effort. By

forming consortiums, Greenbush allows districts to pool resources to stretch funding even further. Whether the need is for office supplies, professional training, technical support, a consortium means increased purchasing power and more bang for the buck. Greenbush forms partnerships with agencies, businesses, and universities to further resources and personnel. At the core of every Greenbush Program is the unyielding belief that every student, regardless of geographic location, deserves equal educational opportunities.
